## Meeting Role Sign-Up

### Track your club participation

Using the weekly meeting agenda provided by FreeToastHost (FTH) means all club members can review their meeting participation history.

The 'Meeting Agendas' menu item will take you to the next available meeting agenda.

The available tools include an item called 'Role Reports'. Here you can review all the previous meeting roles in which you have participated.

Each week be sure to sign into your account on our website and choose which roles you wish to fill.

Use the 'Quick Role Sign-Up' item in the Members Only menu to quickly fill sign-up for as many future meeting roles as desired.
